- Place a bid

To place a bid go to the lot. Click on online catalogue, at the top of the page, or click halfway down on the left on the relevant auction. With the filters and search option you can find the relevant lot.

The screenshot shows the Vendu Rotterdam website interface. At the top, there is a navigation bar with the following menu items: BUYING, SELLING, AUCTIONS, APPRAISALS, ONLINE CATALOGUE (highlighted with a red box), RESULTS, and OTHER SERVICES. Below the navigation bar, there are three main sections: AUCTIONS, NEWS, and CALENDAR. The AUCTIONS section features a 'General sale January' lot with a 'KORFJE VAN NELLE'S THEE' tin. The NEWS section features a painting titled 'Lee Man Fona sold for record hammer price'. The CALENDAR section lists upcoming auctions: 'General sale January' (26 January 2019), 'Art and Antiques auction May 2019' (17 May 2019), and 'Design auction 1900-now' (24 June 2019). There is also a 'Newsletter' section with an 'E-mail address' input field.

Click 'view lot' at the relevant lot. There are two ways to place a bid, a direct bid (like raising your hand in the auction room) or an automatic bid (like leaving an absentee/commission bid). With a direct bid you place a once only bid for the amount mentioned. With a automatic bid you place a maximum bid, whereby the system places a bid for you, for the lowest possible amount and bids upto your maximum if there are counter bids.

For a direct bid click the green button Bid: € xxx. For an automatic bid choose from your maximum bid from the list and click OK. When placing your first bid you will be asked to accept the terms and conditions (top of page). Tick the box and click the black button 'place bid'.
